

**UPPER LEVEL "ADVENTURES IN HISTORY" SUMMER CAMP  
A CHANGING NATION: VICTORIAN ERA THROUGH WORLD WAR I**

This camp is bursting with activities, games, and crafts oriented around the dynamic years from 1890-1918 when Cumberland County bustled with industry and the Indian School was in full swing. During this time foreign immigration soared and frequent technological advancements filled Americans with excitement and apprehension. Follow me as we explore this fascinating period of rapid transformation. Campers will attempt to duplicate Jim Thorpe's athletic achievements, gussy up in Victorian era clothing, make hand cranked ice cream, create period crafts, learn proper posture and manners for high tea, and, of course, be subjected to the terror of water balloon trench warfare.
