Rev 08-23-01

This index includes photos of students and visitors that are found in the three Choate Albums, the Choate cabinet size cards, and the Choate Boudoir size cards, that are housed in the Photo Archives of the Cumberland County Historical Society.

Names in parentheses are alternate spellings or additional known surnames. Additional information about a photo is in brackets. Warning: Some of these names may be misspelled.

Ordering prints or photocopies may be accommodated using the Photo Order Form.

Keep in mind that many of these photos are of large and small groups. A single name on the list does not necessarily indicate an individual portrait.
