Join the Cumberland County Historical Society, Visit Cumberland Valley, Love Carlisle Downtown Carlisle Association, and Dan Collison State Farm as we kick off summer with a live lunchtime event on June 9th from Noon to 1:00 pm at 21 N. Pitt Street, Carlisle. Light refreshments will be available.

As a part of CCHS's newest exhibit on Railroading in the Cumberland Valley, we will kick off our Family Railroad Passport Summer Program. Families can pick up a Passport at one of our six participating museums: Cumberland County Historical Society (Carlisle), Mechanicsburg Museum Association (Mechanicsburg), East Pennsboro Historical Society, Shippensburg Historical Society (Shippensburg), Cumberland Valley Railroad Museum (Shippensburg), Conrail Historical Society (Shippensburg) and Harris Tower (Harrisburg). Visit all six locations, check in at the location, and tag CCHS on social media OR take a family picture, bring the passport back to our History on High Gift Shop in Carlisle, and receive a **FREE** Railroad Themed gift.

Railroading in the Valley is a comprehensive exhibition featuring objects, photos, ephemera, and a wonderful interactive model train display spanning six galleries at the Cumberland County Historical Society at 21 North Pitt Street in Historic Carlisle, PA. The exhibit will run until mid-December and is FREE to the public. In addition to the exhibit, CCHS will host yearlong programming about railway history.
